Treatment Description

Treatment description: A complete perimeter treatment including drilling all concrete around home will be done via injection. All holes drilled will be plugged after treated. Soil will be trenched down and rod treated.

Crawl Space Treatment: We will be treating any and all interior infestation under home where termites are evident.

Product used: Termidor SC at 4 gallons per 10 linear ft at .06% per label
1 year warranty on work done for entirety of structure

Golden Rule Termite Protection Plan is recommended on an annual basis to prevent future infestations. This will be a professional structure analysis to protect your investment.
